Dear Mr. Stathoulis,

My wife and I spent a most enjoyable afternoon with you at Senderwood on the occasion of the laying of the commemoration stone. We wish to thank you and all on whose behalf you officiated for a most sincere welcome, your kind hospitality and the presentations made to us. We shall always cherish the memory of our first visit to your institution.

We wish you all a merry Christmas and a happy New Year.

Your sincerely,

MINISTER OF NATIONAL EDUCATION
